

## Great Gift Idea!

Early in October a representative from the Communities of Peace Foundation visited Redeemer Renaissance, gave a very inspirational talk and shared information about the Children's Cloth of Many Colors. In response, the children created fabric squares which are being pieced together by the quilting group of Lutheran Church of the Redeemer.

The fabric squares have been reproduced on a mug which you can order at a price of \$15. A portion of the profits from mug sales will go to Operation Military Kids, an organization dedicated to providing support to children impacted by military deployment.

Number of mugs ordered \_\_\_\_\_ x \$15 each = total amount of order \_\_\_\_\_

Please attach a check or money order to this form payable to Lutheran Church of the Redeemer in the amount of the entire order. Drop your order in the Redeemer Renaissance Mailbox located in Fellowship Hall. The deadline for orders is November 14<sup>th</sup>.
