Redeemer Renaissance After-School Program

Friday, December 11, 2009

Redeemer Renaissance will be open early on December 23rd in time to receive children following their 2 hour early dismissal from school.

Week In Review

On Monday, the Renaissance kids finished making Christmas ornaments. The remainder of the week was spent working on Christmas gifts so there is not much you can be told.

Our Mitten Tree

Thank you for your generous support of our mitten tree. We will continue to collect mittens, hats, gloves, scarves and socks though next week. I would like to send your gifts the National Center for Children and Families in time for Christmas.

Re-Enrollment Begins January 4th

Re-Enrollment for the 2010-2011 School Year will begin January 4th. The fee for Re-Enrollment is \$50. Registration forms will be available at the sign-out desk and online beginning January 4th.

There will be a short concert of holiday music beginning in the sanctuary at 7:00 PM. **We will extend pick-up time until 6:30 that evening.** So that your family can enjoy the presentation without your stomachs growling, Redeemer Renaissance will provide a light supper that you can enjoy with your children in the Preschool open area from 5:00 until 6:15 on December 18th. **Please RSVP on the separate sheet beside the sign-out.** **Heads Up!
