

NOTES AND NEWS

Redeemer Renaissance After-School Program

Friday, January 22nd, 2010

Week In Review

On Tuesday, we took advantage of the wonderfully, unseasonably warm temperatures and spent a lot of time outside.

On Wednesday and Thursday, the children made snowmen out of paint stirrers. The buttons on the snowmen are each one inch apart so that in the event of another snow, you can use these snowmen to measure how deep it is.

On Friday, the Renaissance kids had a rousing game of volleyball with our giant beach ball.
