

NOTES AND NEWS

Redeemer Renaissance After-School Program
Friday, September 18, 2009

Week In Review

On Monday, the children took a trip around the world with Bob Brown and his puppets.

On Tuesday, children played guessing games with the countries and puppets they saw on Monday. On Wednesday, children made puppets with paper bags and paper plates.

On Thursday, the children put together puzzles made from their photos and on Friday played a game with pretzels and Funions.

Community Service for September

Throughout September, the children of Redeemer Renaissance will be collecting school supplies for needy children.

Please place contributions in the purple tub by the entrance to the Fellowship Hall.

Private Music Lessons

There is still space on the schedules of all of the private music teachers. We currently offer violin, cello, bass, guitar, piano, organ and now trumpet lessons.

Mount Vernon in November

Permission forms for the field trip to Mount Vernon must be turned in by September 25th so that the final reservations can be made.
